2. The terms of this Agreement come into force immediately on acceptance (implied or actual) of its terms by you and will remain in force until cancelled by us or you or replaced by a later version.
3. **David Dougan Financial Services Ltd is authorised & regulated by the Financial Conduct Authority (FCA) under number 734887.** You can check this on the FCA's Register by visiting the FCA's website at: www.fca.org.uk/register or by contacting the FCA at 12 Endeavour Square, London, E20 1JN.

THE RANGE OF OUR ADVICE AND FINANCIAL PLANNING OBJECTIVES

4. Your adviser is **independent** and acts on your behalf as your agent. Your Adviser is therefore able to provide unbiased, unrestricted advice on retail investment products based on a comprehensive and fair analysis of the market.
5. We are permitted to give advice on retail investments and general insurance and arrange transactions in these products. For retail investment products, this will include not just packaged products, but also structured products, all investment trusts and any other investments that offers exposure to underlying assets, but in a packaged form which modifies that exposure compared with direct holding in the financial asset.
6. In order to provide you with personal financial advice and recommendations suitable for your particular circumstances we will undertake a 'fact find' to gather the appropriate information to assess your needs. We will then be able to set out clearly your financial planning objectives based on your stated objectives, acceptable level of risk and any restrictions you wish to place on the type of policies you are willing to consider. Details of your stated objectives will be set out in a Suitability Report we will issue to you to confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.
7. You hereby acknowledge that in the event of the firm assisting you in the completion of any investment or insurance application or policy proposal forms that you will in any event continue to bear full responsibility for the accuracy and completeness of the information entered on such forms. Therefore, you understand that inclusion of incorrect information or omission of any material facts may result in the insurance, investment or policy to which the application or proposal relates to being adversely adjusted, made void and/or any claim(s) made against it being refused. The advice we give you will be based on the information you have given us and your stated investment objectives including the degree of risk you will accept. It is your responsibility to advise us on any changes.

- 8 We will forward to you all documents showing ownership of your investments/contracts as soon as practicable after we receive them. All such documents may be sent by post and this would be at your risk.
- 9 We will outline from the outset whether our advice will cover your entire financial planning needs or focus on specific areas giving consideration to any restriction you place on our advice.
- 10 We require our clients to give us instructions in writing, or we may confirm our understanding in writing (by post or by email) in order to avoid possible disputes. This will usually be in the form of a proposal or application form. We will, however, accept oral instructions in certain instances provided they are subsequently confirmed in writing.

CUSTOMER CLASSIFICATION

- 11 The type of client category will determine the levels of protection afforded to you under the Financial Services and Market Act 2000. The firm proposes to classify you in accordance with FCA rules as a **Retail Client** and the regulatory protection available to you will be the highest available. This agreement is personal to you and not assignable. We may accept instructions from and give information to third parties or your other advisers on your behalf where you have confirmed in writing we may do so. We cannot accept any responsibility for errors in information supplied by such persons. Where you are a trustee, director or officer of any trust, corporation or LLP requiring advice you warrant to us that you have full authority to act on behalf of the same and there are no restrictions on the limits of our advice of which we have not been made aware. We will not be responsible for advising on compliance with your trust, trustee, director or officer obligations.

THE COST OF OUR SERVICES

- 12 You will pay for our services by either a fee or a combination of fee and/or fee by payment facilitation through product charging. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. For payment options relating to investment advice, please refer to paragraph 13. For payment options relating to insurance advice, please see paragraph 14. Value added tax may be payable on some or all of the work we do. We will inform you in advance of commencing any work if VAT is likely to be applicable.

Investment advice

- 13 When **paying by fee**, you will pay us for our advice and services (whether you buy a product or not) at an amount or a rate agreed before we commence any work. Our fees may include VAT. Where this is the case you will be informed in advance and invoiced accordingly.

13.1 Our hourly rates are:

Financial adviser £175 per hour
Administration £ 75 per hour

In cases that we deem to be complex in nature, a higher rate of £225 per hour may be chargeable. We will advise you in advance of any work being undertaken where this applies.

Our fees as a percentage of the funds invested are:

Amount Invested	% Fee
£20,000-£50,000	3.0 to 4.5%
£50,001-£90,000	2.2 to 3.0%
Above £90,000	2.2%

For example: A £100,000 investment would cost £2,200.

Reviews: we will confirm what we will charge you in writing before beginning work. Our typical charges are:

Initial review: £1,200 – 3,000.

Annual review: £ 750 – 2,400.

You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

These fees are indicative only and in any event are subject to periodic review. In cases that we deem to be complex in nature, our fees may be higher than our stated rates. However, we will always provide you with a breakdown of our estimated fee and agree this with you prior to undertaking any work.

You may wish to set a fixed amount of fees that cannot be exceeded without further reference to you, in which case please speak with your Adviser. Where charging a fixed fee we will provide you with a fee agreement showing the actual fee that will be payable for the agreed service being provided. Where charging an hourly rate we will provide a letter of engagement to indicate how much we might charge in total.

Your Payment Options

Settling your adviser charge through a single payment

You will be required to settle the payment of our fees on completion of our work within 10 days. We accept cheque or BACS payments. We do not accept payment by cash.

Settling your adviser charge by instalments

Paying by instalments through your recommended product

If you buy a financial product, we may agree for you to have your adviser charge deducted from the product through instalments. Although you pay a reduced amount or nothing to us up front, that does not mean that our service is free. You still pay us indirectly through deductions from the amount you pay into your product. These deductions will pay towards settling the adviser charge. These deductions could reduce the amount left for investment. Further information and examples are available on request.

Paying through other arrangements

In some circumstances, we may agree that you can pay your initial adviser charge by standing order on a monthly basis. The initial adviser charge can be paid by up to a maximum of 3 instalments from your bank account. The adviser charge will be taken in equal instalments.

Keeping up with your payments

If you fail to keep up repayments of the adviser charge we will terminate our relationship.

13.2 You may elect that we are remunerated **by fees and offset fees (paid by a product provider)**. The actual amounts will depend on the service provided to you but will be in line with the arrangements set out above in section 13 headed “**investment advice**”.

The fee will not exceed the rates shown in this document. We will agree the rate we will charge before beginning work and we will tell you if you have to pay VAT. The fee will become payable on completion of our work. You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

Pure Protection Products

13.3 If you buy a protection product you may elect that we are remunerated **by commission**. The commission is paid directly by the provider. Although you pay nothing up front that does not mean our service is free. The commission paid to us forms part of a ‘product charge’ which you pay when you purchase the product. Product charges pay for the product provider’s own costs and any commission payable to third parties. If you opt to pay us in this way, you need to be aware that these charges reduce the amount left for your chosen cover or investment.

You may elect that we arrange for the protection premium to be discounted by the commission that otherwise might have been payable under the policy recommended. In this instance you will need to pay a fee appropriate to cover our advice and work, in accordance with paragraph 13.1 above.

The amount of commission we receive will vary depending on the type of policy and (sometimes) the term of the policy or your age, as in the following example:

If you were to pay £25 per month towards a Critical Illness policy we might receive commission of approximately £8 per month over an initial period of 1 to 4 years. There may also be a renewal commission of 2.5% per annum, eg £7.50 per year after the initial period ends.

Payment for Ongoing Services

13.4

We have a range of ongoing services we can provide to ensure that your personal recommendation is reviewed frequently and remains relevant to your changing circumstances. The frequency and amount of the charge will depend on the service you choose and is usually paid out of your investment product or else by standing order from your current account on the 1st day of every month. Ask your adviser for more details.

General Insurance

- 14 For general insurance advice we do not charge a fee. We will receive commission from the insurance provider.
- 15 We may also receive commission or other form of benefit from working with the issuer of a security, a product provider or from another intermediary. We will inform you before the transaction if we are likely to receive such commission or form of benefit from recommending any product to you.
- 16 In respect of any regular premium policy which we may recommend, should you subsequently cease to pay premiums on the policy and as a result of your cancellation we are obliged to refund product charges or other commission that has been paid to us we reserve the right to charge you a fee representing the amount we have to repay, for a period of up to four years after commencement of the policy.

CLIENT MONEY

- 17 For your additional security **we do not handle client's money**. We never accept a cheque made out to us (unless it is a cheque in settlement of our fees or other charges or disbursements for which we have sent you an invoice). We do not handle cash. Cheques for payment will be required to be paid direct to the insurance provider.

ACCOUNTING TO YOU

- 18 We will make arrangements for all your investments/contracts to be registered in your name unless you first instruct us otherwise in writing. You have a right to inspect copies of contract notes and entries in our records in relation to transactions on your behalf. In that request we reserve the right to give you copies of such documents rather than access to the original records.

We will forward to you all documents showing ownership of your policies as soon as practicable after we receive them. Where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.

FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)

- 19 We subscribe to the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. You will find up-to-date details of the FSCS's compensation limits, eligibility and details of how to make a claim on its website www.fscs.org.uk. As at April 2019, the limits are:

Investment - Most types of investments and pensions are covered up to a maximum limit of £85,000 (if the business failed after 01/04/19).

Long-term insurance (e.g. annuities and life assurance) the maximum level of compensation for claims against provider firms declared in default on or after 3 July 2015 is 100% of the claim with no upper limit.

Insurance – Most other insurance policies and private medical insurance contracts are covered for 90% of the claim, without any upper limit.

Further information about compensation scheme arrangements is available from the FSCS.

- 21 The cancellation rights for each individual policy you have been advised on will be explained to you in your suitability report. Where the provider is already in receipt of the investment proceeds and

cancellation is requested within the cancellation period we will instruct the provider to refund the proceeds net of the adviser charging agreed.

MATERIAL INTERESTS

- 22** We are not connected to any product provider, but occasions can arise where we, or one of our other customers, will have some form of interest in business, which we are transacting for you. If this happens, or we become aware that our interests or those of one of our other customers conflict with your interests, we will inform you in writing and obtain your consent before we carry out your instructions. There may be occasions when we will be unable to act for one of the parties.
- 23** As a consequence of such potential conflicts arising, we have put arrangements in place to ensure our clients are treated fairly. We have also implemented a conflicts of interest policy to help us manage such risks, which you may access on request.

RISK WARNINGS

- 24** Relevant risk warnings will be advised to you throughout the financial planning process and in your suitability report.

The value of investments may go down as well as up, and you may not get back the amount invested. Levels of income from investments may fluctuate. We cannot be held liable for any depreciation in the value of investments arranged for you. Non-readily realisable investments will generally have a restricted market, and therefore it may be difficult to deal in that investment or to obtain reliable information about its value.

For insurance products, your insurance policy may lapse if you do not keep up to date with regular premium payments and you may not be covered if a claim is made.

TERMINATION OF AUTHORITY

- 25** You or we may terminate our authority and/or this agreement to act on your behalf at any time without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Termination is without prejudice to any transactions already initiated which will be completed according to this client agreement unless otherwise agreed in writing. You will be liable to pay for any transactions made prior to termination and any fees which may be outstanding.

You agree that this information may be transferred electronically, (e.g. e-mail).
